

UNIVERSITY ADMIT ELIGIBILTY PREDICTOR

CUSTOMER JOURNEY

Customer experience journey map

Use this framework to better understand customer needs, motivations, and obstacles by illustrating a key scenario or process from start to finish. When possible, use this map to document and summarize interviews and observations with real people rather than relying on your hunches or assumptions.

UNIVERSITY ADMIT ELIGIBILITY PREDICTOR

A software model that focuses on students who need to join a university and predicts the probability of getting admitted into the desired university based on the selection parameters to reduce the tedious and time-consuming process of searching for the best option.
